OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 CFR 1.173(b), filed May 13, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Missing Parts of Nonprovisional Application (Notice) mailed May 19, 2004. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on July 20, 2004.

Petitioner has appointed a representative to conduct all business before the U.S. Patent and Trademark Office (Office). The Office will not engage in dual correspondence with petitioner and petitioner's representative. Accordingly, petitioner must conduct all future correspondence with this Office through the representative of record. If petitioner no longer wishes to be represented by the representative of record, then a revocation of the power of attorney or authorization of agent must be submitted. A correspondence address must be included on the correspondence instructing the Office where all future communications should be mailed.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (571) 272-3220.

This matter is being referred to the Office of Initial Patent Examination for preexamination processing.
